HERSHEY FELDER TO PERFORM ‘HERSHEY FELDER AS IRVING BERLIN’ LIVE FROM FLORENCE, ITALY TO BENEFIT THEATRES ACROSS THE COUNTRY

San Diego, CA – April 27, 2020 - San Diego Repertory Theatre (San Diego REP) and Hershey Felder Presents announced today the details of a one-time-only live streaming musical event to benefit San Diego REP, among other theatres. On Sunday, May 10, Mother’s Day, at 5PM PDT, renowned performer Hershey Felder will present his one-man show, Hershey Felder as Irving Berlin, streamed live from Florence, Italy. Tickets are $50 per household and are available for purchase now at sdrep.org.

Says Hershey Felder:

“Over the past 25 years, the stages of many theatres across the United States have been my home for eleven out of twelve months each year. Yet, for the first time in all these years, I find myself at that elusive “home,” here in Florence, Italy. As otherworldly as it is here, I am still drawn to the many theatres that have given me homes over the years, and so together we have created a nationwide event paying tribute to America's greatest songwriter, Irving Berlin. Proceeds from this event will benefit each of the many participating theatres throughout the nation.

To present this event, we have recreated here in Florence, the set of Irving Berlin's home on Beekman Place in Manhattan, and we have a film crew that has been safe and in quarantine here in Florence. If you've seen the production some time ago, there is some new additional material that speaks to our times, as well as a few surprises. Because audiences always request the now infamous "audience encore," we have even made it possible for you to ask your questions by cellphone; text directly to me during the encore section, and I will answer live, just as I do in the theatre.”
